SUMMARY

Motivated computer science graduate with proficiency in web technologies seeking a challenging position to leverage my coding skills, problem-solving abilities, and passion for innovative web development to contribute effectively to a dynamic team

EDUCATION

- MCA (Pursuing)- Sanjay Ghodawat University, Atigre_ CGPA: 8 (Current)
- BCA (2020-2023) - Anaasaheb Dange College, Hatkanagle_ CGPA: 8

EXPERIENCE

Suyotech Solutions, Kolhapur

Full Stack Developer (MERN)

February 2025 – Present

- Currently working as a Full Stack Developer, focusing on MERN stack technologies (MongoDB, Express.js, React, Node.js).
- Responsible for designing, developing, and maintaining web applications.
- Collaborating with team members to create efficient and scalable applications.
- Gaining hands-on experience with both front-end and back-end development.

PROJECTS

Technologies: React, Node.js, Express, MongoDB

Bookstore Web Application (MERN Stack)

- Developed a full-stack web application for an online bookstore.
- Implemented user authentication, product catalog browsing, shopping cart functionality, and order management.

My Health Care Application

- Developed a health care app with user, doctor, and admin modules.
- Users can manage profiles, book appointments, and view medical history.
- Doctors can manage consultations and patient records.
- Admins can oversee all users and appointments.

SKILLS

- **Programming Languages:** JavaScript, Java
- **Web Technologies:** HTML, CSS, React, Node.js, Express, MongoDB
- **Other Skills:** Version Control (Git), Problem-solving, Web Development

Extra-Curricular Activities

Good Knowledge of Fort, Photography, Teamwork
